Do you wish to speak at the hearing? No

Written Testimony Please table Bill 59. The city council all ready resolved the plastic bag ban, no further action is necessary or desirable. Please go outside and see if you can even find a plastic bag, you can't. Why do we need to ban all plastic bags when the environmental problem doesn't exist? Give the residents of Honolulu some dignity to be able to carry their goods from the store using a plastic bag.
